# We

## **Produce standout packaging.**

Tekapack is a leading company that offers innovative and eco-friendly solutions in food packaging. Our packaging, made from sustainable materials, enhances the value of your brand while strengthening your position in the competition.

# Design

## **New market, dynamic products.**

Packaging is the most significant reflection of your brand identity. With our creative designs, we highlight your products and continuously improve based on your feedback.

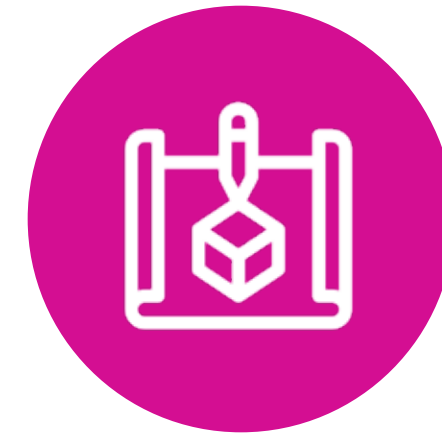

## Analysis

We understand your expectations and develop solutions that align with your goals.

## Concept

We turn your imagination into reality.

## Prototype

We quickly produce the first sample and present it to you.

## Production

We revise our designs based on your feedback and proceed to the production process.

# Gamified

## Discover Fun in Packaging.

By gamifying the packaging experience, we offer interactive and entertaining products. With our gamified packaging, we strengthen brand loyalty and enhance consumer interaction with the product.

# Packaging

## Food Safety: Our Priority.

With our expertise in food packaging, we offer a variety of material and design options that preserve the freshness of your products. We help you establish more sustainable consumption habits.

## Spoon Bowl: Unique and Practical.

A first in food packaging. Meet the spoon bowl! Our new packaging combines fun and healthy food, pleasing consumers and providing reassurance, while creating a brand new consumption habit.

## Surprise Fun in Bottles.

We offer a unique innovation in beverage packaging! Now, each bottle enriches the consumption experience by including a toy. This innovation sets your brand apart from competitors and provides consumers with fun moments.

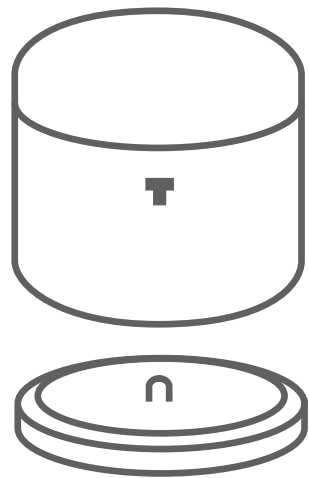

## **New Era in Food Packaging.**

Discover the new generation of vertically foldable food packaging that changes consumption habits! With this innovative design, we provide both aesthetics and ergonomics, offering your customers a unique experience and strengthening your brand!
